This is the Teacher Material for the Year 9 *Cambridge Essentials Mathematics* books. The links above open interactive PDF files that are linked to the *Cambridge Essentials Mathematics* Planner and contain material that extends and complements the printed books. This includes explanations and keywords, plus links to interactive activities on our website.

The Planner provides access to a wide range of resources for teachers, including:

- worksheets
- homeworks
- starters and plenaries
- end-of-unit tests
- worked examples of test questions
- guidance notes
- and more ...
